THE VINEYARDS: The five grape varieties comprising this vintage came from five ultra-premium vineyards in Napa Valley, which are located in the sub-appellations of Spring Mountain, Howell Mountain, Soda Canyon, Wooden Valley and Carneros. Each of these vineyards was expertly manicured; every effort was made to ensure that the fruit would develop its full flavor potential.

TASTING NOTES: Striking opaque purple color, and a stunning nose of cherry liqueur intertwined with prunes, black currants, coffee, smoke, and blackberries. Fabulously rich and lush, with a mid-palate so deep and concentrated that it overloads the sensory organs, this multidimensional, gloriously extracted wine provides superb richness allied to extraordinary complexity and symmetry. It should drink well for two decades. (Robert Parker, The Wine Advocate)
