TASTING NOTES: The Jayson Chardonnay is our first release for the exciting 2001 vintage. The wine is full bodied, expressing a beautifully integrated toasty-spicy nose that continues on through the palate with flavors of creamy lemon and honeysuckle. The mouth feel is round, rich and lush

WINEMAKERS NOTES: The Jayson Chardonnay is a “declassification” of the “Industrial Strength” Pahlmeyer Chardonnay. After a meticulous selection process in assembling the final blend of the Pahlmeyer Chardonnay, we decided that the remaining lots of wine were of a caliber that deserved the “Jayson” label. The Jayson Chardonnay is hand crafted with the same care and attention given to all of our wines - full malolactic fermentation in 100% new oak and bottled without filtration. This wine is intended to be drunk young, and represents an excellent value at a portion of the price of the Pahlmeyer Chardonnay.

AVAILABILITY: The 2001 Jayson Chardonnay is available now, through our network fine restaurants and retail merchants around the world, or directly from the winery. For further information, please visit www.pahlmeyer.com:
