VINTAGE NOTES

The Sonoma Coast growing season consisted of a cool spring and a moderate summer. Early on in the season, it appeared as if the vintage would be late, but we picked up momentum in August with warmer temperatures. This vintage will be marked by its developed flavors and persistent acidity.

WINEMAKING NOTES

Whole grape clusters were hand-picked in the cool of the night, then hand-sorted at the winery. We barrel fermented the wine in neutral oak barrels to add balance to the focused acidity. The wines remained in neutral oak for 5 months prior to bottling.

TASTING NOTES

Bright and playful acidity showcase hints of raspberry sorbet and freshly crushed cherries. Notes of sliced strawberries and Meyer lemon preserves bring summer in the glass. Although light and nuanced, our Rosé will develop and evolve throughout enjoyment.
