VINTAGE NOTES

The 2020 growing season began with a mild winter and early budbreak. A cool spring extended the season, followed by a moderate, temperate summer with ideal growing conditions for developing mature, layered flavors and structure. This vintage will be marked by its bright, crisp acidity and attractive fruit notes.

WINEMAKING NOTES

Whole grape clusters were hand-picked in the cool of the night, then hand-sorted at the winery. We fermented the wine in stainless steel tanks and drums to complement the focused acidity. Fermentation was kept cool to preserve the delicate Pinot Noir aromatics.

TASTING NOTES

Delightfully crisp, showcasing generous notes of fresh-picked spring strawberries, bright red cherries, crushed limestone and orange peel essence. Very subtle hints of fresh-turned earth bring contrast to the midpalate, finishing with red fruit notes and focused, mouth-watering acidity. This beautifully nuanced Rosé will develop and evolve as you sip. Enjoy with prosciutto-wrapped melon or aged Gruyère cheese.
